

Dear Parent/Guardian:

The Ayer Shirley Regional School District is committed to providing academic excellence for every student every day, and ultimately prepares your child to be career and college ready as they progress from grade to grade.

The following core beliefs are foundational to our work:

- We have high expectations for all students.
- Every student deserves a quality education.
- We believe in a personalized learning environment.
- Successful students are independent thinkers and doers, and persevere in finding solutions to problems.
- An educated child is one who has developed and evolved as a “whole child” – in the academic, social, emotional, personal, and cultural domains.
- Habits of reflection, setting goals, and measuring one’s progress support lifelong learning.
- Respect for self, property, and others are essential to a healthy learning community.
- Psychological and physical safety are necessary conditions for learning.
- Service to others builds character, is supportive of personal growth and career development, and connects students to the real world.
- Educators, students, families, and communities collaborating together results in high quality educational programming.

We are pleased that you have selected our District for your child’s Preschool - Grade 12 educational program. We have high quality, licensed educators who are committed to educating the whole child in the domains of social, emotional, physical, and cognitive development. The educational programs are aligned to the 2017 Massachusetts Frameworks.

I am certain that your selection of ASRSD for your child’s education is a great choice. Kindly return the enclosed registration packet to the Administrative Assistant in the main office of your child’s school.
